PERMIT APPROVAL

 Christopher Jones, Director
 Ohio Environmental Protection Agency

 31 DEC 05

This permit approval is based upon the record in this matter which is maintained at the offices of the Ohio Environmental Protection Agency. The Director has considered the application, accompanying information, inspection reports of the facility, a report regarding the facility's compliance or noncompliance with the terms and conditions of its permit and rules adopted by the Director under this chapter, and such other information as is relevant to the operation of the facility. The Director has determined that the facility under the existing permit has a history of compliance with ORC Chapter 3734, rules adopted under it, the existing permit, or orders entered to enforce such requirements that demonstrate sufficient reliability, expertise, and competency to operate the facility hereoforth under this chapter, rules adopted under it, and the renewal permit.

Entered into the Journal of the Director this 31 day of December, 2003.
